A New Commitment to Community Connections

It's time to take our outreach and community relations efforts to the next level! Please take a moment to read the information below and share with your network. Together we can work toward achieving a Maryland that is free from any trace of unlawful discrimination.

Social Media

In order to remain better connected with people throughout Maryland and beyond, MCCR is increasing activity on social media outlets. Please take a moment to like/share our [Facebook](#), [Twitter](#), and [Instagram](#). We welcome and encourage your posts and activity on our pages!

Partnerships & Programming

Engaging people directly in our communities remains a priority in MCCR's education and outreach work. We are fortunate to have many strong and fruitful relationships across the state. More work remains to be done, and that is where we need your help.

MCCR's mission includes advancing and promoting civil rights throughout Maryland. While our core task is to investigate allegations of unlawful discrimination in employment, housing, public accommodations, and state contracts, it remains evident that we must work together to address other matters of civil and human rights because these are all too often connected directly to both our quality of life and MCCR's law enforcement functions.

If you know of an individual or group with which MCCR should connect, please connect us. Additionally, if there is something going on in your back yard, pass along the information to us. We would love to join you!
