Chairperson’s Report

- A major push of the Chair is to increase public participation in the monthly meetings. The Chair will be working with the E&O unit to craft an email for Commissioners to send to their networks about attending the monthly meetings.

- The Chair also suggested that we begin inviting various organizations and other civil rights leaders to speak before the Commission. This allows the Commission to learn about other organizations and vice versa.

- The Chair will speak with the Lieutenant Governor to get a better understanding of the civil rights agenda of this administration. MCCR has the prime opportunity to serve as subject matter experts to the administration.
